**Student of the Month**

Becky Jackson

For being a respectful, responsible and cooperative student.

**Principal’s Message**

We are all feeling very proud and excited our amazing KROP team were successful at last Friday’s auditions. CONGRATULATIONS!

Our students were fantastic!

All our hard work has paid off. Our KROP team performed brilliantly at the auditions. The committee was impressed with the level of quality produced.

Well done and thank you to all involved in KROP for your effort and commitment.

Students who are in our KROP team will be receiving further information about the KROP information package, DVD order form, T-shirt order form. Parents and Goolgowi community members will be informed about our performance date. Tickets will be on sale soon and we would like as many people as possible to come along and support our Goolgowi Public School students performing at the Griffith Regional Theatre. Go Goolgowi Public School!
Winter School Uniform

Today is the first day of winter and it has certainly been a chilly start. Please be mindful to make sure your child wears appropriate warm clothing to school each day. After a cold morning start many students warm up as they play and we seem to have a collection of jumpers and jackets in our lost property box. It helps if student clothing is clearly marked. Scarves, beanies and gloves may be worn but they must be the same as our school colours; green, black or white. Our school shoe colour is black. Coloured sports shoes may be worn only on sports days. Thank you for your cooperation with making sure your child is wearing correct school uniform.

Behaviour Code for Students

NSW public schools are committed to providing safe, supportive and responsive learning environments for everyone. We teach and model the behaviours we value in our students.

In NSW public schools students are expected to:

- Respect other students, their teachers and school staff and community members
- Follow school and class rules and follow the directions of their teachers
- Strive for the highest standards in learning
- Respect all members of the school community and show courtesy to all students, teachers and community members
- Resolve conflict respectfully, calmly and fairly
- Comply with the school’s uniform policy or dress code
- Attend school every day (unless legally excused)
- Respect all property
- Not be violent or bring weapons, illegal drugs, alcohol or tobacco into our schools
- Not bully, harass, intimidate or discriminate against anyone in our schools.

Schools take strong action in response to behaviour that is detrimental to self or others or to the achievement of high quality teaching and learning.

Behaviour Code for Students: Actions

Promoting the learning, wellbeing and safety of all students in NSW Public Schools is a high priority for the Department of Education and Communities.

We implement teaching and learning approaches to support the development of skills needed by students to meet our high standards for respectful, safe and engaged behaviour.

Respect

- Treat one another with dignity
- Speak and behave courteously
- Cooperate with others
- Develop positive and respectful relationships and think about the effect on relationships before acting
- Value the interests, ability and culture of others
- Dress appropriately by complying with the school uniform or dress code
- Take care with property

Safety

- Model and follow departmental, school and/or class codes of behaviour and conduct
- Negotiate and resolve conflict with empathy
- Take personal responsibility for behaviour and actions
- Care for self and others
- Avoid dangerous behaviour and encourage others to avoid dangerous behaviour

Engagement

- Attend school every day (unless legally excused)
- Arrive at school and class on time
- Be prepared for every lesson
- Actively participate in learning
- Aspire and strive to achieve the highest standards of learning

The principal and school staff, using their professional judgment, are best placed to maintain discipline and provide safe, supportive and responsive learning environments. The department provides a policy framework and resources such as Legal Issues Bulletins,
access to specialist advice, and professional learning to guide principals and their staff in exercising their professional judgment. In this context the NSW Government and the Department of Education and Communities will back the authority and judgment of principals and school staff at the local level.

Have a great week everyone.

Parent Tips

A Quick Bite …
Active as a Family
Busy lives and long work schedules can mean that many families spend time apart through the week and exercise on their own. Here are some ways to connect as a family, revive energy levels and feel fit and healthy:

- a simple walk after dinner,
- join an all ages group like a fun run or cycling group,
- play touch football or cricket in the backyard on weekends,
- go for a hike or bike ride around local walking tracks.

What else can you think of? Why not try one this week?
